# LAN SCHOOL AIR™

## Classroom Management Simplified

Whether for a single classroom or an entire district, LanSchool Air allows educators to manage various learning activities through one simple, easy-to-use platform. Setup only takes minutes and updates are automatic.

### LanSchool Air Features and Integrations

LanSchool Air's features and integrations make it easy to track progress, redirect focus and assist individuals at every skill level so **students are better equipped to learn on their own.**

- ✓ Google Classroom™ Integration
- ✓ Clever Integration
- ✓ Thumbnail & Full Screen Monitoring
- ✓ Blank Screen
- ✓ Limit Web
- ✓ Push Website
- ✓ Messaging
- ✓ Snapshot
- ✓ Raise Hand
- ✓ Battery Status

If a student veers off, LanSchool Air makes it easy for the teacher to refocus their attention without distracting the entire class. That time can add up in a class of 25 students.
